

APPLICATION INSTRUCTIONS

Thank you for your interest in North Perry Flying Club! We're very excited that you've decided to join us in our love of aviation, and look forward to getting to know you!

In order to make things move as smoothly as possible, please make sure you include all of the information and documents listed in the checklist below for us to process your application, add you to the club's insurance policy, and get you flying as quickly as possible.

All pilot's must include the following before their application can be processed:

- Completed Membership Application Form
- Copy of your current Driver's License
- Copy of your current Aviation Medical Certificate
- Copy of your Pilot's License
- Membership Initiation Fee (\$99*)
- Security Deposit (\$500*)
- First Months Dues (\$49*)

* Fees and security deposit may be combined in a single check made payable to "North Perry Flying Club, LLC" in the amount of \$648. In the unlikely event that an application is not approved, the initiation fee, security deposit, and first month's membership dues will all be refunded.

Documents may be submitted in any of the following ways:

1. By US Mail – Send the application and all supporting documentation to North Perry Flying Club, c/o Membership Services, 3605 Southwest 22nd Street, Fort Lauderdale, Florida 33312.
2. By Email – Scan your application form and documents and email them to info@northperryflyingclub.com

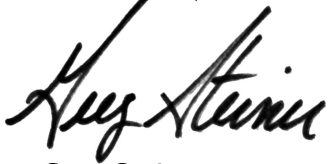

Please note: while submitting electronically will allow us to begin the process of adding you to the flight roster, you will still need to submit your application fee, security deposit, and first month's dues by mail to the Membership Services address listed above before your application can be formally approved.

Per insurance company regulations, once your application is approved, but before you can schedule the aircraft, you must take a check ride with a club approved flight instructor. Upon completion of your check ride, you will be added to the roster, assigned a login ID for our on-line flight scheduling software and may begin reserving club aircraft.

If you have any questions about the application process, please contact Greg Steiner, General Manager at (954) 647-4466.

Thanks again for your interest and we look forward to having you on board!
